The Regional Director/Director/
Jt. Director (Incharge),

ESI Corporation,

Subject:- Coverage of construction agencies/offices of the builders under the ESI Act, 1948 - clarification thereof.

Sir,

References have been received from some Regional Directors seeking clarification regarding coverage of construction agencies/ Offices of builders particularly on the point as to whether the construction workers working in the construction sites are to be taken into consideration for the purpose of coverage of the construction agencies/offices of builders under Section 1(5) of the ESI Act as a 'shop'.

The matter was examined at Hqrs. Office and it is informed that it has been the policy of the ESI Corporation not to cover the workers engaged by the construction agency who belong to the unorganised sector due to the peculiar characteristics of the construction industry and the peculiar nature of ^{employment of} workers engaged in it. In construction industry the work is carried out through the construction workers at the construction sites where the projects are situated. The workers engaged in it are mobile and migratory in nature. The criteria and duration of employment also vary from work to work. Due to the nature of employment and the nature of work place involving the construction workers, enforcement of ESI Act in respect of such workers and organising Medical & other facilities for them which are normally available under the ESI Scheme will be difficult. Therefore, the existing scheme under the ESI Act is neither applicable nor suitable for workers engaged in construction sites. Hence the following actions may please be taken for coverage of construction agency/

Offices of the Builders:-

1. Such construction agencies which are employing 20 or more persons in their offices and the offices are situated in implemented areas are coverable under the Scheme. However it may be ensured that the criterion of 20 or more persons is applicable to such employees only who are coverable under Section 2(9) of the ESI Act.
2. Such workers who are engaged by construction agencies and are working on the site of the project, should not be considered for the purpose of coverage of an establishment dealing with construction activities.
3. Such construction workers are to be taken into consideration for coverage under Section 2(9) as 'employee' who are engaged directly in a covered factory by the principal employer or through an immediate employer.
4. Only employees of the construction agencies who are posted in the office ~~XXXXXXXXXXXXXXXXXXXX~~ are to be taken into consideration for the coverage of the unit.
5. Some of the regular employees of the construction agencies mostly technical staff such as Engineers, Supervisors etc. who are regular employees of the construction agency but are normally sent to the work-site periodically, are to be taken into account for the purpose of coverage of the establishment under Section 1(5).
6. In respect of those employees who are though regular employees of the construction Agency but remain on tour at the Site(s) of the construction in non-implemented areas for a period of more than 7 months in a year, contribution may not be charged subject to the employer seeking exemption under Section 88 of the ESI Act in respect of those employees.

Sub: Extension of the ESI Scheme to Construction Site Workers-reg.

Sir,

ESIC vide its Order dt.31.07.2015 had issued instructions regarding extension of ESI Scheme to construction site workers through which site workers of construction companies were also to be covered under ESI Scheme.

CREDAI and Several Builders filed Writ Petition No.846 of 2016 in the High Court of Bombay at Goa challenging ESIC order dated 31.07.2015. The Hon'ble High Court dismissed the writ petition of CREDAI and others vide its order dated 14.03.2017.

The Builder Association of India challenged the extension of ESI Scheme to construction site workers before Hon'ble Supreme Court of India vide SLP No.13351/2018.

Hon'ble Supreme Court of India vide its order dt.06.07.2018 has ordered that "an interim order would be justified in the facts of the present case. Accordingly, the order of the Bombay High Court at Goa dated 14th March 2017 passed in W.P. No. 846 of 2016 as also the Circular dated 31st July, 2015 of the ESIC shall remain stayed until further orders."

Consequently, references have been received on the following points:

1. During the stay period whether ESIC contribution may be collected or not in respect of construction site workers.
2. During this period of non payment of contribution if any claim for benefit comes in notice of ESIC for construction site workers whether the same is to be accepted or not.

-2-

In view of above, it is clarified that no ESI contribution may be collected from the construction site workers and from their employers during the period of stay order by Hon'ble Supreme Court and also no benefits could be extended to such workers during the corresponding benefit period.

This issues with the approval of the Director General.

Sub: Extension of the ESI Scheme to Construction Site Workers-reg.

Sir,

ESIC vide its Order dt.31.07.2015 had issued instructions regarding extension of ESI Scheme to construction site workers through which site workers of construction companies were also to be covered under ESI Scheme.

CREDAI and Several Builders filed Writ Petition No.846 of 2016 in the High Court of Bombay at Goa challenging ESIC order dated 31.07.2015. The Hon'ble High Court dismissed the writ petition of CREDAI and others vide its order dated 14.03.2017.

The Builder Association of India challenged the extension of ESI Scheme to construction site workers before Hon'ble Supreme Court of India vide SLP No.13351/2018.

Hon'ble Supreme Court of India vide its order dt.06.07.2018 has ordered that "an interim order would be justified in the facts of the present case. Accordingly, the order of the Bombay High Court at Goa dated 14th March 2017 passed in W.P. No. 846 of 2016 as also the Circular dated 31st July, 2015 of the ESIC shall remain stayed until further orders."

Consequently, references have been received on the following points:

1. During the stay period whether ESIC contribution may be collected or not in respect of construction site workers.
2. During this period of non payment of contribution if any claim for benefit comes in notice of ESIC for construction site workers whether the same is to be accepted or not.

-2-

In view of above, it is clarified that no ESI contribution may be collected from the construction site workers and from their employers during the period of stay order by Hon'ble Supreme Court and also no benefits could be extended to such workers during the corresponding benefit period.

This issues with the approval of the Director General.

Yours faithfully

The method of determination therefore followed in both the situations is the only feasible alternative in which the following circumstances exist:

- When the employer during the personal hearing proceedings under Section 45-A of the Act expresses inability to make segregation of labour component or fails to produce valid documents showing the actual labour component to the satisfaction of the authority, and the Corporation is also not able to make the segregation.
- The authority exercising power under section 45-A is satisfied about the bonafide and also satisfied that no other payment of wage is included in this head and these are strictly payment made to the contractors including cost of material, as well as other expenses (copies of contract deed, tenders, quotations, and other relevant documents should be verified to confirm the pleadings of the employer).

In cases, where determination under section 45-A is made using the above formula, the 45-A order should also state that this formula is resorted to as a special case and concession provided and employer will have to comply in future with statutory provisions contained in Section 38 read with section 40, 41(1-A) of the ESI Act and Regulation 32(1-A) of the ESI (General) regulations 190 and that this facility will not be extended for a second occasion. In addition to stating this in the 45-A order, the employer should also be separately addressed on these lines with a copy to the area SSO concerned.

However, the Regional Directors etc. may use their discretion to adopt this procedure of adhoc assessment on a second or subsequent occasion in only special circumstances where they are satisfied regarding the genuineness of the case. Whenever this procedure is adopted for the second or subsequent occasions, the reasons for the same should be recorded on the file and got approved by the Regional Director.

(The instructions in the letters referred to in Paras L.13.4 and L.13.5 stand modified to the above extent.)

L.13.4 Determination of contributions on amount paid to the contractors/ immediate employers which include Labour and Material charges (Hqrs. Instruction No. 9/82 vide letter No. P.11/14/41/79-Ins.IV dated 26-6-1982, Instruction No. 5/85 vide letter No.P.11/14/5/85-Ins.IV dated 17-7-85: In many cases where the immediate employers/contractors engaged by the principal employers for capital construction,

.....PERSONAL HEARING DETERMINATION OF CONTRIBUTION

repairs and maintenance of building of factory/establishment including erection or repairs to machinery, furniture repairs, packing charges etc. on a lump sum payment which include material as well as labour costs. If those immediate employers/contractors are covered independently and having a code number, the compliance will be made by themselves, and the principal employer need not comply in such cases. However, at the time of inspection, the Social Security Officer will verify the records of the Principal Employer in respect of Contractors/Immediate Employers required to be maintained by the Principal Employers, according to the provisions of Section 41(1 A) and Regulation 32 (1) (a) and bring the facts in his report. (The BO (Revenue) shall forward the report of the SSO to the concerned Revenue Branch Officer under whom the Code Number of the immediate employer is dealt with for cross examination of compliance against the executed value / work order for which inspection was conducted.) But in cases, where they are not covered independently, and leaves after finishing the work without keeping any record of persons employed for such work and the payment wages made to them, it is difficult for the principal employer to segregate the material and labour costs, to make payment of contribution on the wage element. In all such cases, where the employer expresses difficulty in segregating the wage element out of the total expenditure, and if the Regional Director is satisfied about the inclusion of cost of materials, contribution may be determined on 25% of the total amount as an exceptional case and one-time measure and not as a matter of routine and should not be extended to the same employer a second time routinely.

L.13.5 Determination of contribution in cases where the amount paid to the immediate employers/contractors is exclusively labour charges. (Instructions in letter No. S-11/12/2/2000-Col. 1-Ins.IV dated 9-8-2002): Where the principal employers fails to produce the relevant records, to clearly indicate the quantum of labour component involved in the amounts paid to immediate employers, 60% of the total amount booked may be taken as wage element to determine the contribution. This concession will not apply for a second and subsequent occasion.

L.13.6 In both the cases covered under Paras L.13.4 and L.13.5, though we are collecting the contributions, due to non-registration of those employees, they are deprived of the benefits provided under the Act .It is clarified by Hqrs. Office in letter No. P-11/13/97-Ins.IV dated 26-5-2003, that the statutory requirement under section 38 of the ESI Act read with Section 41(1A) thereof and Regulation 32(1-a) of ESI (General) Regulations 1950 will have to be followed wherever the employees are engaged through the immediate employers/contractors for any of the work, preliminary, connected, incidental or ancillary to the work of the factory or establishment inside the premises, or with the supervision of the principal employer or his agent if such work done is done outside the premises. These provisions are similar to those provisions in the Contract Labour (Regulation & Abolition) Act, which also requires maintenance of the record of persons employed through the contractors and the wages paid to them, by the principal employer and retention of those records.
